

Checking Out and Downloading EBSCO eBooks

If your administrator has enabled eBook downloads for your institution, you will see a **Download (offline)** link that allows you to check-out and download the eBook and read it on your computer when you are not connected to the Internet, or transfer it to your Adobe Digital Editions-compatible eBook Reader device.

Note: In order to download eBooks, you must have Adobe Digital Editions 1.7.1 or higher installed on your computer. This is a free download available at <http://www.adobe.com/products/digital-editions/download.html>.

This page demonstrates how to download *EBSCO eBooks* as well as how to place a hold on an eBook that is in use by another user.

Downloading an eBook

To download an eBook:

1. Click the **Download (Offline)** link for the eBook you would like to download.

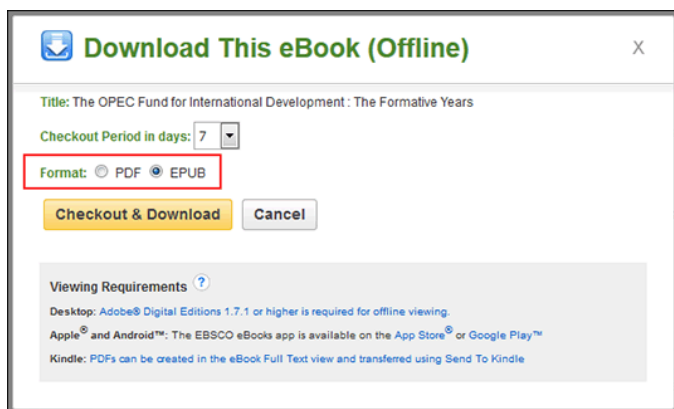

The screenshot shows a search results page with two items. The first item is 'The OPEC Fund for International Development : The Formative Years' by Shihata, Ibrahim F. I. It has a 'Download (Offline)' link highlighted with a red box. The second item is 'Optimal Oil Production and the World Supply of Oil' by Aleksandrov, Nikolay, Gyurkó, Lajos, Espinoza, Raphael A. It also has a 'Download (Offline)' link. Both items have 'PDF Full Text' and 'EPUB Full Text' options available.

If you are not logged into your My EBSCOhost folder, you are prompted to do so.

2. Select a **Checkout period** from the drop-down menu and click the **Checkout & Download** button.

Note: For some titles, you may see the option to select either the [PDF or ePub](#) format for an eBook.

The eBook is added to the Checkout area of the folder, accessible from the upper-right corner of the EBSCOhost interface.

3. Select to **Open** or **Save** the file from the resulting dialog box.

If you **Open** the file, your eBook is opened with Adobe® Digital Editions.

If you **Save** the file, the eBook is saved to your computer and can be opened with Adobe® Digital Editions at a later time.

4. When a downloaded eBook is opened, it is displayed in Adobe® Digital Editions.

Notes:

- If when trying to download an eBook to Digital Editions you receive the following error message, **E_AUTH_BAD_DEVICE_KEY_OR_PKCS12**, you may need to completely remove any authorization using ctrl-shift-D to Adobe Digital Editions (cmd-shift-D if on Mac). Then restart Digital Editions, and reauthorize with your Adobe ID.
- When downloading an eBook using the Chrome browser, the download will not automatically open but appears in the download bar at the bottom of the browser as **URLLink.acsm**. Click the download in the bar and select **Open** to open the eBook or select **Always open files of this type** to automatically open future *EBSCO eBooks* downloads in ADE.
